*Techniques are a bone a fiction. It may be in form, stylish or any theory is thoughts, Narrative, allegory, dramatic, epistolary lecture and soliloquy etc., are commonly used in fiction. The novel and the bodice of life go hand in hand. The novel has been used extensively. Through it, arrows of satire were fired; offices of preaching and admonition were opened. Political issues were resolved, religious conventions were resolved, and scholarly discussions were held. It is also a picture of life, construction and the interpretation of youth.
